

## 1. Have one vehicle and use it often.

Sell your “other” car. Have a vehicle that’s easy to drive in the city and easy to drive into campgrounds.

## 2. Escape easily and often

Always have your van on “standby” mode; keep a spare set of bedding, clothes, board games, books and non-perishable food items ready to go in your van. Come Friday afternoon, check the weather forecast and you’re off!

## 3. 3 Minute Set-Up

Pop-top roof up: 1 minute.
